Promet in varovanje KT / Traffic and guarding control stations

Promet v mestu ne bo ustavljen. Za vse tekmovalce v prvi vrsti veljajo prometni predpisi, skrb za lastno varnost in šele nato tekmovalni rezultat. Proge so narejene tako, da vsi tekmovalci prečkajo glavno cesto skozi Tolmin (no.102) samo enkrat – na prehodu za pešce pred avtobusno postajo. Na kritičnih mestih in pri omenjenem prehodu za pešce bodo postavljeni redarji, ki bodo dodatno pazili na varnost. / Traffic in the city will not be stopped. All competitors should obey traffic rules and take care about their own safety. Courses have been planned so that the main road through Tolmin (102) will be crossed by all competitors once and at the same location – at pedestrian crossing in front of Bus Station.

Varnost / Safety: Organizator ne prevzema odgovornosti za udeležence tekmovanj in treninga. Tekmovalci morajo samo prevzeti skrb za svojo varnost. Posebna previdnost je potrebna na območjih povojnih ostalin – v/ob jarkih, jamah, bunkerjih! / The organisers take no responsibility for injuries or health issues of competitors taking part in these 2 events + training event. Competitors are responsible for their own safety and for assessing their ability to complete their course. Special care should be taken at the areas with ruins from 1. WW!
